Project Title	der el ahmar wall art
Project Description	we are a group of artist who want to make our village a better place by painting and drawing on all the empty walls starting in der el ahmar to barka and ineta. this project can go viral on social media and improve the tourism in our village.
Project Objectives	to make der l'ahmar a better place.
Target Beneficiaries	everyone
Project Duration	3 month
Project Location	deir el ahmar
Thematic Area	Tourism السياحة

Background and Rationale	this project will improve the tourism in our village
Goals and Objectives	to paint and draw on every single wall
Activities and Methodology	we will be many artists divided on the number of walls to draw on.
Expected Outcomes	we will make der el ahmar the best village in lebanon with our passion for art
How will the community be involved in the project?	hand by hand nothing is impossible
What positive impact will the project have on the community?	a big project like this one can attract national tv like mtv and lbc and will do a big impact on social media and will improve tourism
How will the project continue to benefit the community after the initial implementation?	we will use high quality materials and high trained artists so these painting will stay fresh on the walls for more than 10 years before retouching it

Total Budget Requested	€	4,000.00
